

BOB

MANUFACTURER: Blå Station | DESIGNER: Bernstrand & Borselius

The BOB collection lends architectural freedom that challenges or adheres to all interior spaces. The multiple award-winning modular seating system can curve in, curve out, line up straight, or undulate across the room. All modules have a wood frame, molded polyurethane foam, and upholstered in fabric or leather. Shelving units come standard in oak. The BOB modules come with a built-in connection fitting and plastic glides. Plinth base option in black lacquered wood.

BOB is eco-friendly. For sustainability certifications, refer to the [product page](#).

BOB

MANUFACTURER: Blå Station | DESIGNER: Bernstrand & Borselius

The BOB collection lends architectural freedom that challenges or adheres to all interior spaces. The multiple award-winning modular seating system can curve in, curve out, line up straight, or undulate across the room. All modules have a wood frame, molded polyurethane foam, and upholstered in fabric or leather. Shelving units come standard in oak. The BOB modules come with a built-in connection fitting and plastic glides. Plinth base option in black lacquered wood.

BOB is eco-friendly. For sustainability certifications, refer to the [product page](#).

HOW TO ORDER

example:	PRODUCT	BOB - modular sofa
	ITEM #	11-067-S800
	DESCRIPTION	uph. straight seat
	UPHOLSTERY	grade 1 - Camira Aquarius - Zippy JA426
	<i>The above information is needed per each module ordered.</i>	

Scandinavian Spaces reserves the right to amend any pricing/information.

PLANNER

Design your own modular sofa system with the BOB Planner tool. scandinavianspaces.com/products/bob

OPTIONS + NOTES

*COM/COL - **set up fee, net per selection** **\$200**

**1 cutout for power outlet - cutout is only applicable on straight modules. Power unit sold separately - compatible with Byrne Salt/Pepper round power/USB. Visit byrne.com for options and pricing.

***1 cutout for power outlet - cutout is only applicable on straight modules. Power unit sold separately - compatible with PixelTUF round power + USB. Visit oelectrics.com for options and pricing.

When upholstery is specified on 2 modules or less - **list price per module** **+\$453**

When contrasting upholstery is specified on one module - **price at higher grade**

MODULAR CONFIGURATIONS - Please provide a floor plan for modular configurations. Right- and left-end models are based on the floor plan provided - end modules will come with one connection piece and be fully upholstered on the other side. Contact your sales representative for information and pricing - info@scandinavianspaces.com.

BOB modules are not compatible with BOB Home modules.
