

CAP

MANUFACTURER: Materia | **DESIGNER:** Axel Bjurström and Mia Cullin

Versatile, lightweight, with a go-anywhere attitude, Cap lends the extra, always-needed seat at the impromptu meeting. Drawing inspiration from a sewing thimble, the stool's distinct shape is ideal for stacking. Extraordinarily light and with a top handle, Cap easily transports around the room. The frame is compressed molded polypropylene with a polypropylene base. Cap is available with an exposed dark grey felt and the option to select a base color or comes fully upholstered. Options include a stacking trolley.
