

JACK

MANUFACTURER: Blå Station | DESIGNER: Bernstrand & Borselius

Jack is a sturdy and sculptural table series with a presence. Offering an exciting combination of materials and finishes, Jack provides the looks to couple up and complement various seating solutions. Jack's geometric design has a solid wood or aluminum tabletop and coned steel or wood veneer base with plastic glides. The occasional table invites interaction with the option to include an easily accessible power outlet on the steel cone base - encouraging users to linger longer. Jack's durable build belongs in the mod touchdown space and looks great all over campus.

OCCASIONAL TABLE	ITEM #	DESCRIPTION	DESIGN NOTE	Dia.	H	PRICE
