

KLOSS [KLOS]

MANUFACTURER: TreCe | DESIGNER: Kauppi & Kauppi

The Kloss waste management system provides the ability to separate, organize, and recycle in style. The square, quarter round, or half round frames have varying-shaped openings, and include the option to add a symbol on the front of the frame. The steel frame comes in various colors and comprises 20% recycled material, and the inside container is 100% recycled ABS plastic. Various shapes for the top openings are available, and options can incorporate fixed lids with or without locks. All units are designed to accommodate modular configurations, and hardware is included with each unit. Kloss comes standard with adjustable plastic footed glides, and units can incorporate castors, legs, and moisture-protection containers.

KLOSS [KLOS]

MANUFACTURER: TreCe | DESIGNER: Kauppi & Kauppi

The Kloss waste management system provides the ability to separate, organize, and recycle in style. The square, quarter round, or half round frames have varying-shaped openings, and include the option to add a symbol on the front of the frame. The steel frame comes in various colors and comprises 20% recycled material, and the inside container is 100% recycled ABS plastic. Various shapes for the top openings are available, and options can incorporate fixed lids with or without locks. All units are designed to accommodate modular configurations, and hardware is included with each unit. Kloss comes standard with adjustable plastic footed glides, and units can incorporate castors, legs, and moisture-protection containers.

HOW TO ORDER

example:	PRODUCT	Kloss - recycling/waste
	ITEM #	25-298-3506
	DESCRIPTION	square, standard steel frame w/ symbol on front, large circular opening
	FRAME FINISH	white 25-S3300
	SYMBOL	waste 25-L7600
	ACCESSORIES	n/a

NOTES

***adjustable legs sold individually** - all units are designed for various leg placements. Quantity and placement of legs vary depending on modular configurations. Please reference the following page for configurations including leg placement and quantities. Steel leg finish matches steel finish specified on frame.

****castors sold individually** - all units come pre-prepared for castor placements. Quantity and placement of castors vary depending on modular configurations. Please reference the following page for configurations including castor placement and quantities. All modular configurations only require 2 lockable castors. The remaining castors can be standard castors.

*****rubber reverse insert for glass/plastic bottles** - item only compatible w/ units that have small circular openings.

All units are designed to accommodate modular configurations, and hardware is included with each unit.

Scandinavian Spaces reserves the right to amend any pricing/information.

SQUARE FRAME CONFIGURATIONS + LEG/CASTOR PLACEMENT

example 1:

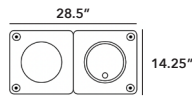

UNITS:

- (1) 25-298-3506 square frame, large circular opening

LEGS/CASTORS:

- (4) 25-298-4203 adjustable steel leg
- OR**
- (2) 25-298-4205 castor
- (2) 25-298-4206 lockable castor

example 2:

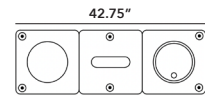

UNITS:

- (1) 25-298-3506 square frame, large circular opening
- (1) 25-298-3518 square frame, large circular opening w/ fixed lid

LEGS/CASTORS:

- (4) 25-298-4203 adjustable steel leg
- OR**
- (2) 25-298-4205 castor
- (2) 25-298-4206 lockable castor

example 3:

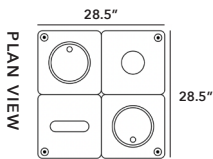

UNITS:

- (1) 25-298-3506 square frame, large circular opening
- (1) 25-298-3618 square frame, rectangular opening
- (1) 25-298-3518 square frame, large circular opening w/ fixed lid

LEGS/CASTORS:

- (6) 25-298-4203 adjustable steel leg
- OR**
- (4) 25-298-4205 castor
- (2) 25-298-4206 lockable castor

example 4:

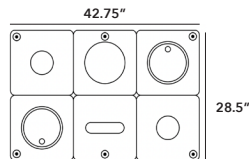

UNITS:

- (2) 25-298-3518 square frame, large circular opening w/ fixed lid
- (1) 25-298-3606 square frame, small circular opening
- (1) 25-298-3618 square frame, rectangular opening

LEGS/CASTORS:

- (4) 25-298-4203 adjustable steel leg
- OR**
- (2) 25-298-4205 castor
- (2) 25-298-4206 lockable castor

example 5:

UNITS:

- (2) 25-298-3606 square frame, small circular opening
- (1) 25-298-3506 square frame, large circular opening
- (2) 25-298-3518 square frame, large circular opening w/ fixed lid
- (1) 25-298-3618 square frame, rectangular opening

LEGS/CASTORS:

- (6) 25-298-4203 adjustable steel leg
- OR**
- (4) 25-298-4205 castor
- (2) 25-298-4206 lockable castor

*All plan views depict the recommended placement and quantity of legs/castors per configuration. For additional configurations, contact your local sales representatives for leg/castor placement and quantities - info@scandinavianspaces.com. All modular configurations only require 2 lockable castors. The remaining castors can be standard castors.
