

LUCKY

MANUFACTURER: Blå Station | DESIGNER: Luka Stepan

The negative space defines the chair. Available at dining height or lounge, Lucky sits well at the sophisticated table and looks at home lounging in the swanky hotel bar. The chair frame is a compressed molded wood veneer with plastic glides. Lucky's seat and curved back detail can be upholstered in fabric or leather and have molded HR foam padding. Lucky is offered in various types of wood and finishes to allow for a contrasting or monochromatic frame and seat pairing. Generous in size, and artfully simplistic by design - Lucky is a looker.
