

# MAMA + PAPA

MANUFACTURER: Skandiform | DESIGNER: Jonas Lindvall

Mama and Papa withstand the test of time in aesthetics and design. Designed by Jonas Lindvall, Mama and Papa make for a perfect pair in the modern design world. Mama features a slender, oval back with an elegant frame. Slightly larger than Mama, Papa has a rounded rectangular back and a dashing handsome structure. The duo is available in solid oak or ash with an optional upholstered seat. When paired, Mama and Papa provide an intimate and relaxing place to cozy up during life's daily occasions.
