

MAX

MANUFACTURER: Blå Station | **DESIGNER:** Johan Ansander

Max is the ultimate lounge chair. Generous in size, style, and comfort, the design pushes the limits of expected design. Fully upholstered in fabric or leather and boasting a soft landing with No-Sag springs and molded foam padding, the steel frame can withstand the rigorous demands of high-traffic interiors. The innovative and intricate stitching process retains the chair's convex seat, making Max quite unique. The shape not only ensures comfort but also lends the lounge chair its boisterous character - truly taking on a life of its own. Max comes standard with plastic glides.
