

PLYBORD

MANUFACTURER: Blå Station | DESIGNER: Johan Lindau

Sit on, around, or near it; Plybord is the missing, always-needed puzzle piece to interiors. The table series doubles as a seating solution. Easy to move around, the sizes and shapes included in the collection allow the pieces to mix, match, and pair together. The seamless, geometric form is possible due to its impeccable craftsmanship. Plybord is constructed out of pine plywood. The pigmented oil finish, available in an array of beautiful shades, highlights Plybord's distinctive wood grain. Multiple tables paired together can create sculptural interest to engage user interaction within a space.
