

RUT [root]

MANUFACTURER: Blå Station | DESIGNER: Bernstrand & Borselius

Transparent beauty and ingenuity are what make the square modular sofa system RUT so remarkable. Innovation at its finest, The system's foundation is supported by a sturdy steel H-beam that securely slots into substantial blocks of solid wood. The square modules lock securely into the steel beam in any desired direction. Overly generous in size, each module brags long-lasting comfort with No-Sag springs and polyurethane foam padding. The modules can be arranged in any suitable 90 degree orientation. RUT offers solid ash, oak or pine table modules, two different styles of armrests, and solid wood side tables to create a customized system.
