

RIBBON

MANUFACTURER: Materia | DESIGNER: Mia Cullin

Ribbon gracefully interlaces beauty and design. The ottoman has a braided appearance reflective of needlework to resemble the intertwined characteristics of a woven. The ottomans come upholstered in one solid color for an elegant monochromatic look or three different fabrics on the hexagon shape and four on the octagon, with a black lacquered wooden base. Available in two sizes, all sides on both shapes have the same dimension to create new forms.

Ribbon is eco-friendly. For sustainability certifications, refer to the [product page](#).
