SAGA

MANUFACTURER: Nordgröna | **DESIGNER:** Joris Oudendijk, Oscar Pressfeldt, and Sander Oudendijk

Functional, sustainable, and deeply influenced by the rich history of Scandinavian culture, Saga proudly depicts its namesake. Constructed out of natural cork bark, Saga thrives in the modern workspace with tackable characteristics and acoustical properties. The interlocking wall tiles are offered in seven shapes to create various patterns and provide functional wall art. The natural material of the wall tiles is lightweight, fire-resistant, and requires no maintenance. Saga has an NRC .25 (ASTM C423-17) acoustic rating.
