

## APARTMENT COMPLEX, EDINBURG

*"Fendo and Pax chairs, Soft Top stools, Matsumoto tables, and a BOB modular sofa system complement the vibrant and energetic atmosphere of the Avanti West Apartment Complex in Edinburg, Texas. The engaging environment lends stylized comfort to residents and guests. Full of personality, Fendo and Pax provide maximum comfort in a minimal amount of space, while the Soft Top stools lend support in style at the counter. BOB's artistic nature, paired with the Matsumoto tables, invites occupants to spread out and get creative."* – Thomas Jönsson, President, Scandinavian Spaces
