

# CAP

MANUFACTURER: Karl Andersson | DESIGNER: Roger Persson

The Cap table series' slimming physique appears to defy physics. Generous tabletop sizes paired with a sturdy pedestal base provide an ample work surface and elegant frame. The multifaceted base is weighted with stone dust to balance and stabilize the length or diameter of the tabletop. Size offerings range from occasional to dining, counter, and bar. Cap has a wood veneer top with a thickness of 0.87", and a solid wood one or two-pedestal base. Available in birch, ash, or oak, with various finishes.

Cap is eco-friendly. For sustainability certifications, refer to the [product page](#).
