

# CENTRAL

MANUFACTURER: Skandiform | DESIGNER: bonpart

Central deserves the attention. The hybrid chair sits at dining height and feels like a lounge - bridging the gap between the two and opening up a world of opportunities. The flexibility allows for a range of possibilities. Clean lines and stylized angles lend Central its sophisticated fashion. The chair's beautiful frame has rectangular legs in solid ash, oak, or steel, all available in various finishes. Uniquely upholstered, the subtle stitching details on the seat and back are beyond beautiful. The ergonomically designed Central puts people at the heart of its design.
