

FENDO

MANUFACTURER: Skandiform | DESIGNER: Stefan Borselius

The guest and dining chair is full of personality and oh-so-comfortable. The elegant division between the seat and back lends Fendo its sophisticated styling. Deliberately designed for versatility, Fendo equivalently belongs around the dining table, grouped in the lobby, and is bold enough to stand alone. Fendo has three base options; steel, on castors, or solid wood. The fashionable wooden legs can include an additional semi-upholstered option for dramatic flair.

Fendo is eco-friendly. For sustainability certifications, refer to the [product page](#).
