

JACKSON

MANUFACTURER: Blå Station | DESIGNER: Bernstrand & Borselius

Jackson's zest for design is contagious. Easily loved and super spontaneous, the lounge chair literally belongs everywhere and anywhere. Bold enough to stand alone and suitable to cuddle in clusters, Jackson joins the party in style. Constructed for comfort with a molded HR foam padded seat and steel frame, Jackson is upholstered in fabric with contrasting metal feet. Personality pops in the details with its unique armrests - available in various wood or tubular steel options.
